CLINIGEN

Clinigen signs exclusive agreement with Eyevance Pharmaceuticals to supply and distribute NATAACYN® (natamycin) in several markets outside the US

Clinigen Group plc (AIM: CLIN, 'Clinigen'), the global pharmaceutical Products and Services company, announces it has signed an exclusive agreement to partner with Eyevance Pharmaceuticals, a wholly-owned subsidiary of Santen Pharmaceutical Co., LTD, to manage the supply and distribution of NATAACYN® (natamycin ophthalmic suspension) 5%, an ocular antifungal drug for topical administration.

As part of the agreement, the marketing authorisations for NATAACYN® will be transferred to Clinigen or Clinigen appointed partners in Argentina, Colombia, Botswana, Mauritius, South Africa, Hong Kong, Thailand, Malaysia, Singapore and Taiwan for commercial product supply. In all other territories, excluding the US and China and Thailand, Clinigen will provide physicians and pharmacists with access to NATAACYN® on an unlicensed basis.

Under the terms of the agreement Clinigen will manage all elements of the program including healthcare practitioner enquiry management, regulatory oversight, logistics and access management.

Sam Herbert, Chief Operating Officer and Head of Products Division, Clinigen, said:

"We look forward to working with Eyevance to make NATAACYN® available to healthcare professionals. NATAACYN® is an important medicine, as demonstrated by its status as an Essential Medicine by the World Health Organization.

"This agreement demonstrates the value of our lifecycle platform and our commitment in partnering with pharmaceutical companies to provide physicians and pharmacists around the world with access to important medicines that improve the quality of patients' lives."
